**RE: AB 2950 – as amended 4/3/08 - Support**

Dear Assemblyperson Huffman;

The California Alliance For Consumer Protection would like to go on record as supporting your AB 2950 – as amended 4/3/08.

We support your measure for several reasons, with the largest being that anything that can be done, should be done to stop the spread of SPAM, especially when it contains false and misleading information – information that is designed to do one thing – rip off consumers.

In closing, we look forward to working with you on this measure as it winds its way through the 2007-08 legislative session.

Sincerely;

Michael Ross, JD and Consumer Advocate
