- Comment "Not to be trusted if you want to get paid for your releases ... Ask any of the labels they have worked with the last two years. They still owe us ca. 10,000 dollars! Beware! "
- Comment "Raul Lopez-Guerra, may be using new name to start other companies to scaa you out of more money. Beware of this asshole. He ownes Silent Pulse Soniq. He owes us \$7000 and he resides in California. "
- Comment "Yes, he is the worst excuse for a human being. He screwed a friend of mine over BIG TIME. Don't do business with him. New Business: Tanis Consulting email address: raul@tanisconsulting.com Phone: 415-442-4690 Cell: 415-602-1512 Currently doing work for Zoanmail"
- Comment "I thought personal vendettas were immediately deleted. Guess not. "
- Comment "Tanis Consulting is now DBA ZOANMAIL.COM, and spamming the universe. The business address for under the domain registration is now given as 953 Mission St., #201, San Francisco, CA 94103. The phone is 415-442-4690. Anyone got a molotov cocktail handy? "
- Comment "The phone number for this guy is the same as that of the spammer 'Zoanmail.com', who bombard me daily with junk mail. "
- Comment "This company was almost \$1 million in debt from the previous owners. They had racked up that debt and, instead of letting it go bankrupt, he took over since he worked there and knew the artists and the distributors that were owed. After almost 4 years, over 90% of that debt was repaid but there was remaining debt but nowhere near what would've happened had he not jumped in. Proving once again that no good deed goes unpunished."
- Comment "The comments stated above I confirm to be true and quite accurate. I worked for Silent/Pulse Soniq in '97. I consider it to be a personal and professional low point."
